### **More Details regarding IN Certification and Training Standards:**

A training hour has 60 minutes. Brakes longer than 30 minutes are not counted as training time. A training group has at least 6 members (counted without assistants or "Constellation Master Trainer, IN"). We highly recommend assistants for trainings bigger than 10 participants. An IN-certification training with IN sealed certificates (sticker with IN logo and seal number) has to be conducted at least 80% of the time by an approved "Constellation Master Trainer, IN". The remaining up to 20% of the training can be conducted under his supervision and responsibility.
